

Gabriela Aguilar – Frontend Developer

Bogotá, Colombia | +573133207188 | contacto.gariela.aguilar@gmail.com | [Portfolio](#)

PROFILE

I am a web developer with more than 3 years of experience in creating dynamic and functional websites. I have an Advanced Technical Diploma in Computer Science, which has given me a solid base to specialize in technologies such as WordPress, React, Next.js, CSS, Tailwind, TypeScript, Photoshop, and Figma. With an intermediate level of English and a focus on continuous learning, I keep myself updated with the latest technological trends, always looking to offer optimized solutions and exceed the expectations of my clients.

Technologies and Tools

React.js | Atomic Design | Wordpress | Elementor | Webmaster | Figma | BEM Methodology | Next js | Photoshop | Tailwind
